

## **VICE Job Listing: Designer**

**VICE** started in 1994 as a newsprint monthly in Montreal, and is now a global youth media company that includes print, event, music, online, television, and feature film divisions that operates in over 30 countries. Vice is the industry leader in original video for the web. With dozens of original series franchises across all content categories, Vice publishes about 60 minutes of new video content every day. For further information and additional background, please visit [www.vice.com](http://www.vice.com).

### **OVERVIEW**

The Designer's primary role will be in the day-to-day handling of design projects—from print production to online. The designer will work in the Adobe Creative Suite, along with Keynote and Powerpoint. Daily projects will vary from designing for Vice Magazine and Vice.com, to ad campaigns, pitches, and designs for our network of programs, such as Noisey and the Creators Project

### **Roles and Responsibilities:**

- Organizing daily requests and projects
- Communicating with project managers on design project needs and requests
- Problem solving and taking design feedback from clients and coworkers
- Designing print ads, posters, signage for spaces, flyers, and various print collateral
- Designing online banner ads, newsletters and website takeovers
- Extensive work for mockups and pitches—from websites to products and spaces
- Presentation layout and cleanup (PPT and Keynote)
- Press release layout and cleanup
- Editorial design and layout

### **Experience and Qualifications:**

- Must have a Bachelors degree in Fine Arts or related field
- Years of experience entry level
- Resourcefulness, diligence, attention to detail, and creative problem solving skills
- Ability to manage multiple responsibilities and assignments simultaneously under strict deadlines.
- Strong interpersonal skills and ability to multi-task in a fast paced environment
- Knowledge of the Vice brand and its properties.
- Strong proficiency and experience in the Adobe Creative Suite--Photoshop, Illustrator, InDesign, and Flash.
- Proficiency and experience in Keynote and Powerpoint
- Proficiency and experience of optimizing designs for online
- Proficiency and experience in print production
- Working knowledge of motion graphics (Adobe After Effects)
- Working knowledge of photography basics
- Familiarity with MAC computers preferred.
